PARIS 2019

## DNA DESIGN AWARDS PARIS

### The new hot « rendez-vous » for designers

#### What is DNA ?

An **Award** to discover and celebrate fresh and creative designs from all around the world in Architecture, Interior, Landscape, Product, and Graphic Design.

*The early-bird deadline for submissions is February 15<sup>th</sup>, 2019*

*Regular deadline 15<sup>th</sup> April 2019.*

The **Summer Design Conference** to gather the creative thinkers and makers' community during 3 days of exciting design workshops, inspiring exhibitions, master classes, a design lab, parties and more!

The rendez-vous is in Paris in June 2019. More info coming soon.

#### Why DNA ?

Today's designers are more **creative**, **multidisciplinary** and **entrepreneurial** than ever. Great design is moving fast and bright ideas pop up everywhere. We bring the best design from Paris to Medellin, Bangkok or Cape Town, HK or NY, Tehran, Marseille or Copenhagen...

That's why DNA has been designed as a global, multicultural initiative, right from the start.

## Cutting-edge jury & International acclaim

Talented designers around the world are invited to enter the award, for a chance to take their work to the bigger scene and connect with the brightest design minds in the industry.

The contest will be led by a stellar jury of some of the hottest design thinkers, makers and editors in the field.
